

ISLE OF MAN DRAFT AREA PLAN FOR THE NORTH AND WEST
PUBLIC INQUIRY
PROGRAMME

Version 3 – dated 8 July 2024

Notes

- (i) *The **Programme** is set out below for the Inquiry scheduled to open at 10.00 am on Tuesday 16 July at the Masonic Hall in Ramsey.*
 - (ii) *The Programme and these notes are to be read in conjunction with the previously published **Notes for Guidance** [INSP.2] and the **Agendas** for Days 1-8 now published separately along with a transcript of **Opening Remarks** by the Inspector*
 - (iii) *The Programme is based upon the submitted requests to participate in the oral discussions at the Inquiry and lists, Matter by Matter, those respondents indicating a wish to appear. A small number of issues have been added by request.*
 - (iv) *An evening session has been added on Day 3, Thursday 18 July, from 6pm to 9pm at the Ramsey Masonic Hall to accommodate MHKs and other respondents who are unable to attend the daytime sessions.*
 - a. *At the evening session any points relevant to the general conformity of the Plan with national planning strategy may be raised.*
 - b. *Participants are invited to provide a transcript of their main points as an aid to note taking.*
 - c. *Any further persons wishing to take part in the evening session should advise the Programme Officer of their attendance no later than Friday 12 July 2024.*
 - (v) *Respondents who wish to take part in the oral discussions are again asked to check carefully that they are listed for the correct Matters, Issues and Sites. Any further queries or requests to add or delete appearances can be accommodated where justified but must be raised with the Programme Officer as soon as possible.*
 - (vi) *Although every effort is made to provide a clear and firm programme, this could be subject to change and intending participants are urged to consult the Inquiry web page for any updates.*
 - (vii) *Not every issue in the original Schedule of Matters and Issues appended to the Notes for Guidance is listed for discussion where written representations or original responses will suffice.*
